August 2010

Island Resorts Join Sustainable Film Festival

Dunk Island and Bedarra Island Resorts have pledged support to the Mission Beach Film Festival with great enthusiasm for the sustainable living program.

Both islands have large tracts of national park where visitors can experience pristine tropical rainforests and a myriad of bird and animal life from the comfort of the resorts that are nestled beside the Coral Sea.

'We have become Gold sponsors of the Mission Beach Film Festival to support the eco-friendly awareness that the event promotes. Dunk Island in particular is synonymous with the remarkable Blue Ulysses butterfly that proliferates on the island and we will focus on this exquisite creature for our **film festival promotion**. **Participants can visit our Dunk Island stand for face painting, enter our Blue Ulysses drawing competition, and even a lucky draw to win a holiday on Dunk Island.**' said group general manager Karen Taylor.

Dunk and Bedarra Islands are part of the Family Island Group that lies just off shore from Mission Beach. A variety of transport options are available to get island visitors to and from the festival and a special Blue Ulysses package is available for guests booking within 48 hours of arrival.

The Blue Ulysses Special **includes** a room on Dunk Island **with** full buffet breakfast, free paddle skis, pedal boats, tennis, gym, ocean trampoline, farm visit and rainforest walks for \$194 per night. For an additional \$138 p/day **guests** can include a meal plan for 2 adults and 2 kids (12yrs and under). Room upgrades are available on request.

Festival Producer Dee Cameron said 'The support of Dunk Island and Bedarra Island Resorts will enable island visitors to get into the spirit of the festival and partake of the film screenings, kids club, stills exhibition and the sustainable speakers events'.
